- Bruce Brensdal, Housing Division, Administrator and MBOH, Executive Director:
 - Welcome and Introductions

- Business
 - **Information Sharing:** Hear an interesting presentation from OUTSIDE-THE-BOX HOUSING SOLUTIONS, their relocatable housing units are built on large steel skids which make them easily moveable with a winch truck and trailer. Most houses contain approximately 900 square feet of living space with a variety of floor plans to choose from. Most of their houses use propane for heating and cooking, with tanks included and attached to the skid. This produces a lower electrical demand, making their units ideal for remote areas. Onboard fresh water tanks are available on certain models. All units can be connected directly to local utilities.
 - **Legislative Updates:** Montana and national.
 - **Housing Conference Update:** May 8, 9, and 10, 2017 in Great Falls.
